

New guidelines for attending Leixlip Sports Massage Clinic

- All clients will be screened prior to attending the clinic. No “walk ins” will be permitted. Clients will have to read and sign a pre-treatment screening form.
- Clients will not be permitted to wait in the reception or the clinic:
 - Appointment times will be spread out to avoid this and allow for decontamination of the room
 - Clients will be asked to wait in their car and will be contacted when the room is ready. Please use the entrance to the right of the amenities building!
- Clients will sanitize their hands on entering the room.
- Clients are asked to bring their own facemask and water to drink. (Facemasks will be provided if needed.)
- Therapist will sanitize hands frequently and wear a mask during the session.
- All touch surfaces, equipment and linen will be decontaminated / changed after the session and single use materials will be disposed of in a pedal push bin.
